Master of Arms: Dan Ridgley	509-967-2492	theridge440@gmail.com
Membership Dir: Jane Ridgley	509-547-0244	theridge440@gmail.com

PRESIDENT'S CORNER:

Fall is upon us and the weather is changing quickly. There's still a few car shows happening though! Chuck and I recently attended the Mustang Club's show down at Columbia Crest Winery in Paterson. There was a few Mopar folks there and a couple people even won awards. The weather was cooperative for the show but it rained pretty good on the way home. The wiper blades on my truck are slow but they work well. Chuck was in the Belvedere and he was hanging pretty far back from me for the drive home. It was the most driving in a single day that I have done in the old truck since I bought it. If the odometer is correct I put 103 miles on it that day without a problem. Pretty good for a 65 year old rig.

I'm thinking I will attend one more show for the year and then be done. October 21st is Wings & Wheels at the Richland Airport. This show is for cars, military vehicles, and airplanes! It's a free event and there is no awards given out. If you have questions call Scott Urban 509-551-0432

EVENT CALENDAR:

Wings & Wheels – Saturday Oct 21st, 9am-3pm @ Richland Airport off Bypass Hwy
Cars & Coffee – Saturday Oct 28th, 10am-Noon @ The Country Mercantile
Club Christmas Party – Decemberish?
